HOCKEY

HYGIENE and PERSONAL RESPONSIBILITY.

SHOWERS

All students will be expected to shower. The dressing room showers at Shaw Center may be used. The following procedure is in place for showering;

Students will need the following;

- Toiletry Bag (Shower kit bag)
- Soap and a Soap Container
- Deodorant Stick
- Towel

Optional: Brushes/combs/ hair dryers, etc

ABSOLUTELY NO SHARING of hygiene products by students.

This will be a first for some players and a different experience. Some players in the past have been more comfortable showing with their under armour wear. If that is going to happen, students will then need a waterproof bag to put their wet under armour wear into and will be responsible to bring it home from school for cleaning. We will do our best to support students with this showering and hygiene situation.

The students in this exploration will have the procedure explained and reviewed and will begin using the showers Tuesday/Thursday after the morning ice session.
